ASSET MANAGEMENT SOLUTIONS

SHORTEN TIME FOR EQUIPMENT PROCESSING
& MANAGEMENT

ENSURE DEPLOYMENT OF COMPLETE, FULLY
FUNCTIONAL AND CALIBRATED EQUIPMENT

LOWER COSTS OF INVENTORY, REPAIRS,
SHIPPING AND STORAGE / OVERHEAD COSTS

REDUCE MISSING / LOST ASSETS

TDS has over **25 years of experience** in providing solutions for our customers

Asset Management Solutions Include:

CAREFREE LOGISTICS

TDS manages all of the logistics. Equipment ships to TDS, to your site, and back to TDS. We handle all the rest, significantly decreasing shipping charges to multiple locations.

INVENTORY MANAGEMENT

TDS helps you buy and manage what you need and sell what you don't.

CALIBRATIONS

Free annual equipment calibrations. Calibrations at other intervals are available at an additional cost.

SUPPLEMENTAL INVENTORY

TDS can seamlessly supplement your inventory shortages with additional equipment for lease, rent or purchase, ensuring you always have what you need, where you need it.

NEED MORE EQUIPMENT?

TDS Has You Covered

With inventory from over 100 vendors for rental or sale, our friendly, knowledgeable customer service team can provide supplemental equipment for all your testing and measurement needs quickly and at competitive prices

All equipment from TDS is available
for rental / lease or purchase.

CALIBRATION & REPAIR

Quality You Can Count On

Our calibration and repair lab has been upgraded to maximize reliability and ensure that quality ratios are spot on. All TDS calibrations are traceable to NIST and conform to the requirements of ASME NQA-1 (1994), 10CFR50 App. B, ASNI/ISO 9001-2008 and ASNI/NCSL Z540-1 (R2006).

Equipment calibration included with all Asset Management Programs

ABOUT TDS

A TechPro Power Group company, the Equipment Division of Technical Diagnostic Services, LLC (TDS), based in Dallas/Ft. Worth, TX, delivers industry-leading test equipment solutions that empower customers to safely start up and optimize the performance of their facilities' electrical and controls systems. TDS's Equipment Division provides electrical test equipment rental, sales, calibration and repair to the power, oil & gas, process industries and other industrial end markets.
